

Tour: Exploring Roots

Event Date:

Tue, Sep 29, 2015

Dr. Susan Pell, USBG Science and Public Programs Manager

Come on a botanical journey through *Exposed: The Secret Life of Roots* with Science and Public Programs Manager Susan Pell. Explore the indoor and outdoor components of the exhibit while learning about the botany of roots and important role of root crops around the world. Some live plantings on the Conservatory Terrace will be excavated for an under-the-soil view and we'll talk about the processes involved in growing the dried plants on display in the East Gallery. **Please note:** This will be a walking tour in the National Garden and the Conservatory Terrace and East Gallery. Only indoor locations will be featured if it rains. Program on September 29 is a repeat of the program on September 12.

Date: Tuesday, September 29

Time: 12 p.m. to 1 p.m.

Location: Tour will meet by the entrance to the Conservatory on the Terrace

FREE:Pre-registration required
